In such cases the employee shall not earn annual leave credits during leave of absence.

4. Each appointing authority should make every effort to insure that annual leave is used on a current yearly basis in order to provide employees with vacation and proper rest and relaxation. By following this practice, employees will not normally accrue annual leave in excess of that earned each year. An employee is not limited to the number of annual hours that may be accrued.

5. Under circumstances involving natural disasters or other emergencies an appointing authority may be required to cancel all approved leaves and to disapprove any requests for

leave during an extended period of time which would prevent employees from using their accrued annual leave. When an emergency exists and the appointing authority cancels approved leave, the Human Resource Department shall be notified immediately.

38 – 52	45	.75
53 – 60	60	1.00

Time worked shall be calculated from the following table. Normal work day minus time worked equals time used.

Example:

Normal work day	8:00 = total time	8.0
Actual time worked	7:15 = earned time	7.3
Time used	:45 = used time	.7

b. Employees who are temporarily terminated to run for political office shall be entitled to be paid for annual leave equal to the period they will be a candidate for office, provided they have sufficient annual leave credits accrued at the time of temporary termination. The payment of annual leave under these circumstances shall be made in increments not to exceed the amount and frequency of the employees salary just prior to the time of temporary termination. Nothing in this provision will preclude the payment of other benefits that are authorized in any other statute or rule.

2. In case of death of an employee, payment of unused annual leave at the time of death shall be made to the employee's beneficiary, estate, or as provided by law. Such payment shall be made at the rate of pay at the time of death and by the department in which the employee was last employed.

4. Terminal leave payment due employees shall be computed as follows:

If at the time an employee enters DROP they do not have 500 hours of annual leave, or 240 for those hired after April 24, 2003, they may be paid for subsequent accumulated annual leave at the time of final separation, but the total number of hours for all payments shall not exceed 500 hours, or 240 for employees hired after April 24, 2003. Payment for annual leave associated with the provisions for the *Selling of Leave* or *Temporarily Terminated Status* will not affect the 500 hour cap, or for employees with a 240 cap, at terminal separation.

After ten consecutive days of absence, the employee shall submit to the appointing authority a medical certificate from the attending physician before any additional use of sick leave credits can be authorized for the employee. If the employee continues to be absent, the appointing authority shall require further medical certification for each thirty (30) consecutive days of absence, unless the appointing authority has personal knowledge that the employee is hospitalized and unable to return to work.
